

Yorkhill Housing Association is 40 this year.

Forty years of providing a great service to the Yorkhill community. To celebrate this anniversary we're planning to hold a photographic exhibition to show the changes that have happened in the area over those four decades. But we need your help. We need you to go through your cupboards and your albums to dig out any photographs you may have of the area during that time.

People, places, indoors and out, kids, pets, we want them all. If selected they will become a part of the exhibition and you will be acknowledged in the accompanying caption. Bring your photographs to the Housing Association offices at 1271 Argyle Street by 31st August. They will be scanned and returned to you.

Join us in celebrating our milestone birthday!
