

Do you want to start a business?

Business Glasgow can help.

Business Glasgow is Glasgow City Council's business support team.

Our team of specialist Start-up Advisers offer extensive support tailored around your goals, challenges and timeline. Together, we'll build the confidence and clarity you need to take the next step. From developing a business plan to understanding and accessing finance, to establishing how to market and sell products or services and much more.

The Business Glasgow team delivers the Business Gateway Glasgow service to provide additional support to help you start a business, including:

- 1:1 Advice
- Online Resources
- Webinars & Events
- Business Plans
- Market Research

Our dedicated Start-up Advisers can support you:

- If you live in Glasgow and are looking to start a business.
- If you are an existing business and have been trading for less than 12 months.
- If you live outside of Glasgow but plan to operate from commercial premises in Glasgow.

Interested to find out more? Please take a few minutes to complete the **Planning to Start** form for a **FREE start-up toolkit** and one of our Advisers will contact you within 5 working days.
